Role- Play Area

Our role play area will be set up as a Library. This will give the children an opportunity to role play what happens when we go to the library and understand the job of the librarian.

Winter

We will talk about the weather getting colder and look at what clothes we need to wear in winter to keep us warm. We will also look closely at snowflakes, icicles and frost using magnifying glasses and talk about what we see.

Please feel free to talk to our Apas regarding any concerns. They will always find time for you.

How you can help us:

Take your child to the library; a love of books is the first step to wanting to read them. If books are valued children will want to learn to decode the words and read in the future.

Talk to your child about the seasonal changes- why they can't stay out playing as late as they have done.

Talk about the importance of eating with our right hand.

Encourage your child to dress independently.

Talk to your child about good manners.

Encourage your child to pray the morning dua.
