

## PSED

We will be:  
Playing turn taking games.

Learning/Talking about our own and others' feelings and emotions.

## C&L

We will be:  
Learning the names of animals and their babies.  
Matching the animal cards together, putting together the adult animal and their baby animal.  
Learning how to look after the animals.  
Making animal sounds.

## PD

We will be:  
Working our fine motor skills while scrubbing animals in the water tray  
Making animal movements to build on our gross motor skills.

## Islamiyah

We will be:  
Praying Ta'awwudh and Tasmiyah before beginning an activity etc.  
Reading stories of the prophets - Story of Nuh (A.S)

## Spring 1st

**All Creatures great and small!**  
This term we will be looking at the different types of animals which All... has created; jungle animals, farm animals, extinct animals, insects, animals around the world and creatures which live under the sea.

## Maths

We will be:  
Creating our own zoo using sticks, numbering each building, and adding the matching number of animals.  
Sorting out animals into groups of animals who walk, animals who swim, those who do both and animals which fly.

## Literacy

We will be:  
Sounding out initial sounds of animals and tapping syllables of their names.  
Drawing animals.

## UW

We will be:  
We will be learning about various animals and their habitats. We shall be looking at farm animals, jungle animals, sea animals, mini beasts and dinosaurs.  
Talking about why we no longer have dinosaurs.  
Filling a bin with seeds and natural materials to build a nest for the birds.  
Exploring sensory bins themed around different animal habitats, such as the desert or arctic.

## EAD

We will be:  
Making animal puppets and singing animal songs.  
Creating animal hand prints.  
Comparing Animal Tracks - Stamp plastic animals with paint onto paper and compare the tracks that are left behind  
Taking care of the sick animals in our 'Vet's Surgery'.
