Termly Overview

Year Group: 2	Form Tutor: Hafsah Apa	Term: Autumn	
Reading Teacher: Hafsah Apa	Writing Teacher: Hafsah Apa	Maths Teacher: Humayraa Apa	Science Teacher: Humayraa Apa
• Read accurately by blending the sound in words that contain common graphemes. • Read many common exception words • Sound out unfamiliar words accurately • Answer questions about a familiar text • Make simple inferences	In **English** this term I will be learning to: • Act out a story in sequence and begin to use expressive voices when acting in role. • Plan a story using a story structure. • Take the role of a story character and work with a partner on a drama activity. • Learn about poems; how to read them in different tones and act them out. • Practise postcard and letter writing.	In Maths this term I will be learning to: • Partition two-digit numbers into multiples of ten and one • Use place value to add and subtract (e.g. 30 + 4, 53 – 3) • Use the = sign to represent equality (e.g. 6 + 4 = 7 + 3) • Read the time to the "quarter" of an hour on digital and analogue clocks. • Recognise that a right angle is a quarter turn • Investigate which numbers up to 30 can be halved (whole number answers), and find the even numbers. • Sort 2D shapes according to given criterion using Carroll diagram and Venn diagram. • Add/subtract single digit numbers to 2-digit numbers, use number bonds to 10 and place value to add/subtract rather than counting on/back in ones.	In Science this term I will be learning about: • How animals have offspring that grow into adults • How children have changed since they were babies. • Various life cycles and find out what animals need to survive. • Balanced diets and exercise, which help keep humans fit and healthy. • The differences between things that are living and things that have never been alive. • What living organisms need to stay alive and healthy. • How some non-living things were alive once.

Termly Overview

History/Geography Teacher: Humayraa Apa	ART/DT Teacher: Humayraa Apa	Computing Teacher: Humayraa Apa	PE Teacher: Humayraa Apa
In History/Geography this term I will be learning about: • The Great Fire of London • How we fight fires today compared with how fires were fought in the 17th century. • Remember the cause and effect of the Great Fire of London • Use world maps, atlases and globes to identify the United Kingdom and its countries. • Use basic geographical vocabulary to refer to key physical/human features. • Use simple compass directions and locational and directional language to describe the location of features and routes on a map.	In ART/DT this term I will: • Design appealing products. • Generate, develop, model and communicate my ideas through talking, drawing, templates, mock-up and ICT. • Build and explore how to make my structures stronger, stiffer and more stable. • Generate, develop, model and communicate ideas through drawing • Select from and use a range of tools and equipment to perform practical tasks.	In Computing this term I will be learning about: • What algorithms are. • Creating and debugging simple programs. • Using logical reasoning to predict the behaviour of simple programs. • Describe carefully what happens in computer games. • Use logical reasoning to make predictions of what a program will do. • Test these predictions • Think critically about computer games and their use. • Be aware of how to use games safely and in balance with other activities.	In PE this term I will be: • Using basic PE equipment to develop balancing, throwing and catching skills. • Copying, remembering, repeating and exploring simple actions. • Applying simple tactics while playing invasion games. • Use my hands and feet to travel in different ways, thinking about direction and level. • Link three 'like movements' together and begin to think about beginning and completing a sequence. • Develop control when changing shape, using stretching and curling movements. • Work in pairs but share the apparatus with another couple.

Termly Overview

Islamiya Teacher: Humayraa Apa	PSHCE Teacher: Humayraa Apa		Wider Learning Opportunities
• In Islamiya this term I will be learning – • Allah; The Creator • Blessings of Allah • The Qur'an • Sunnah and Hadith • The 5 Pillars of Islam • Is muhammed saw in the Bible? • Names of Allah (16-18) • Learn about Christmas and who celebrates it. • Learn what Hanukkah Is and the significance • Learn the importance of Salah and how to read it • To understand what Zakat is and how it is given	• In PSHCE I will be learning – • Classroom rules • Cleanliness: Toilet and germs • Wudhu • Growing up and changes • Honesty • How to treat animals and look after them correctly • The environment and what I can do to help it • How to treat those younger than me • The correct manner of crossing the road safely.		Focus on five ways of wellbeing – • Connect – Writing letters to friends they would like to reconnect with, All about me cubes – Learning how to connect with new people. • Take notice – Enabling children to notice their surroundings, focusing on 5 senses. • Be active – Trying new physical activities whilst focusing on mental health. • Keep learning – Children set goals for the future and steps to take in order to achieve these goals. • Give – Children will learn about ways to give back to the community and learn the importance of helping out. • Children will be focusing on mindfulness and methods to overcome obstacles they may face.
