عَلَيْكُمْ السَّلَامُ

Dear Parent/Guardian,

We hope and pray you receive this letter in the best of health and Imaan.

Following our communication last week regarding provision of childcare for children of critical workers, we would like to update our guidance on accepting children into school.

We are willing to consider circumstances where at least one parent is a key / critical worker AND both parents are prevented from working from home by the nature of their employment.

We have limited places so if there is excess demand then we will not be able to satisfy all parents and regrettably we will have to disappoint some.

We would like to stress that the provision will be limited to childcare. Children may not be able to access the online learning that will be taking place, therefore, please be mindful of the loss of learning that your child may experience.
